CERTIFICATE OF CAPACITY

- A valid Certificate of Capacity must be provided if you are claiming compensation for loss of income because of a transport accident or work-related injury or illness.
- The certifier will use this Certificate of Capacity to communicate with your employer and your case manager about your work capacity (refer to the TAC or Victorian WorkCover Authority (VWA) website for who can certify). Note: The first medical certificate for a work-related injury/condition VWA claim must be issued by a medical practitioner.
- Certifiers Please type or use block letters and ensure that all relevant sections are complete. Incomplete forms may be returned.

This certificate has been is	sued in r	elation to a:	_			
Transport accident related injury (TAC Claim)				Work related injury/condition (VWA claim)

Returning to work Privacy	

FOR844/02/01.15 Page 2

The TAC and VWA (VWA Agents and Self-Insurers) will handle your personal and health information in accordance with their privacy policies and legislation. You can access privacy policy information at the TAC and VWA websites.

If you have a work capacity for suitable employment your employer and case manager will use the information provided by your certifier on the Certificate of Capacity to assess suitable options for you to safely stay at or return to work. They will take into account what you can do safely and any limitations that apply to your individual circumstances. A capacity for suitable employment could mean working reduced hours while you recover or working modified or different duties until you can return to your normal work with your pre-injury employer or another employer.
